

# FIND OUT THE NAMES OF THE BEST ALTERNATIVES TO WIZIWIG

[Wiziwig](#) is a great website which offers a lot of live streams of various sports. It's streaming is also in HD quality. It is a free website to use and it provides streaming service of various sporting events and games like football, basketball, soccer, UFC, Handball, Rugby, Hockey, Boxing, Tennis and more. It also has a Live TV and a Radio section which gives all the sports related information to its viewers. This platform can definitely be a one stop for all the sports lovers out there. But since it has been shut down for quite a long time now, there are many other alternatives to it.

So as you scroll down, you will find out details of some of the best alternatives of this platform which also has amazing features, so keep reading to find out all the information.

## Which are the best alternatives of wiziwig?

Below mentioned are the names of the websites that are some of the best alternatives of this website. The names are as follow:

1. BatManStream- it is one of the most popular and incredibly favourite sports streaming online websites. This site has been growing fastly as one of the best alternatives of wiziwig. It offers live matches, events, tournaments and leagues happening around the world. Some least popular games like cycling and dart are also available here and all the sports are listed on the homepage itself You can start watching on this site just by registering and then you are good to go.

- a. Its Pros-

- It will allow you to chat with the other users.
- It is very easy to use.
- Its interface is exquisite.
- It also allows you to adjust the local time using a regional time zone.

- b. Its Cons-

- One of its cons is that you are needed to download the extension or to create the account to enjoy it without hindrance.

2. 12th Player- It is considered one of the best football sites as it offers all the latest updates about football. This site also has a user-friendly interface. It also gives you all-round coverage of the football events, matches, leagues and tournaments. And the best part is that you can watch all these videos for absolutely free.

All you need to do to watch it is to subscribe and just enjoy the football videos then. Only drawback of it can be that it shows advertisements which can be irritating at times. This site also offers live streams for other games as well apart from football like tennis, basketball and hockey.

a. Its Pros-

- Its interface is user friendly and easy to use.
- It is completely free from any subscription.

b. Its Cons-

- One of its drawbacks is that it contains a number of ads.

3. Stream2Watch- It is yet another great alternative to wiziwig and it provides information of sports events, tournaments and matches. You can also use VPN for streaming for a better experience. The videos available are HD quality and it provides streams from multiple other sites as well. You just need to register here with your email and then you can access this site on any device.

a. Its Pros-

- It allows you to search for your favourite sports using the search box.
- It offers free live streaming online.
- It also provides live streaming of a myriad of games and sports.
- It comes with a host of live sports channels and TV.

b. Its Cons-

- You will get to see a lot of misleading pop up ads which are disturbing at times.

## Conclusion

As **wiziwig** has been shut down, we have mentioned above names of some best alternatives of this platform which you should definitely check out if you are looking for something similar to this site as these sites also offer great content and have amazing features just like this platform. So go and check out and enjoy yourself watching live streams of different sports
