

# Who is Phoebe Adele Gates?

[Phoebe Adele Gates](#) is always seen from head to toe in luxury brands. She has recently been on the red carpet as well. She is the youngest daughter of millionaire Bill Gates, founder, and CEO of Microsoft. She was born a millionaire and lives a very luxurious life. She was born and grew up in a 127 million U.S.A. dollar house that has 7 bedrooms and 6 kitchens overall.

## Presence over social media platforms

As a very active user of social media, Phoebe Gates posts multiple things over there and uses them to share the story of her life as well.

Phoebe Gates' childhood was as normal and common as any other upper middle class child would have. Additionally, her father Bill Gates also kept her out of the public eye in order to give her a normal and common childhood.

At the beginning, all 3 children of Bill Gates were vastly involved in co-curricular activities, academics, and skill-building. Over time, Phoebe Adele Gates began to use so many social media platforms, and she shared a lot of pictures with friends and family.

Phoebe Gates following in the footsteps of her siblings?

It has been seen many a time that Phoebe is following the footsteps of her father and of her siblings. One of the things that we can count on is that she graduated from the same lakeside school where her father and 2 older siblings graduated. Later on, she also planned to attend Stanford University, just like her father and her siblings.

Phoebe Gates plans to apply to Stanford University for further higher education, which was confirmed by her elder sister Jennifer Gates in an Instagram post.

What does she like?

Aside from studying, Phoebe Adele Gates also enjoys traveling. In fact, she once wanted to travel the whole globe but changed her mind later.

And who would not like it? Everyone would want to travel the world if they had the fortune like the Gates family.

Initially, in her childhood, she was asked to limit screen time on her phone and computer in order to not get addicted to social media platforms or the internet. Along with that, she loves to read books and also likes to dance.

Relationship with her siblings

It has been said and observed that Phoebe Gates has a very strong and everlasting bond with her siblings. She took several occasions to pay tribute to her elder sister Jennifer. It is Jennifer's 24th birthday that stands out as the most notable example and occasion. She was also there all the time as a bridesmaid in the marriage of Jennifer.

Along with this, Phoebe Gates also has a very close bond with her brother Rory. She posted a heartfelt message to her brother on Instagram when she congratulated him on graduating from Stanford.

Relationship with her parents

Phoebe's relationship with her parents is also very strong and includes a very deep bond between them. Through her social media channels, phoebe adele gates share pictures in which she thanks her parents for being so supportive and for having her back.

She considers herself very lucky and fortunate enough to have been born into this family where so many loving people are there. Additionally, she mentioned her mother Melinda Gates, and her father Bill Gates in posts on his social media platform, expressing how much she appreciates them. Phoebe Gates is an admirable individual inside and out. She is an intelligent and smart individual. Also, she is a very down-to-earth person, which makes her even more wonderful and admirable.
